Physician-Patient Relationship

Presentation given by
Carol A. Schwab, JD, LLM
Director of Medical/Legal Education
University of Tennessee Health Science Center

Beverages will be available!

Who should attend?
- All 1st, 2nd, and 3rd year residents and fellows are required to attend;
- All faculty physicians, residents, medical students and staff are encouraged to attend;
- Erlanger physician house staff, nursing staff and hospital administration are invited to attend; and
- Other healthcare professionals interested in current medical practice challenges.

Educational Objectives
At the conclusion of this educational activity, participants should be able to:
- Know the duties and obligations created by the physician-patient relationship;
- Know what factors create a physician-patient relationship, particularly in the context of referrals and on call situations; and
- Know how the physician-patient relationship is terminated.
