## General Disclosures

### **How Do I Use My Benefits?**

For mental health and substance abuse benefits, you may select a practitioner from this list and schedule an appointment. You must be eligible for coverage by Cigna and have outpatient benefits remaining.

Find out more about the doctors, services and cost estimates shown in the myCigna directory and read important notices and disclosures for your state.

The listing of a provider in this directory does not guarantee that the services rendered by that provider are covered under your specific plan. This listing is subject to change. Please check the materials that describe your particular benefits.

If you need emergency services, please go immediately to the nearest emergency room or behavioral health facility. Your plan benefits will apply to services needed to evaluate or stabilize treatment for a condition that is reasonably considered to be an emergency behavioral health condition.

### **Disclosures**

The information in this directory is accurate to the best of Cigna's knowledge as of the time of the last update. This information is subject to change at any time. We do not guarantee that each provider is still accepting new patients. To get the most up-to-date information about the network providers in your area, use our online directory (CignaBehavioral.com) or call Cigna Customer Service for a printed copy, at the toll-free number on the back of your Cigna ID card. In addition, please check with the health care professional before scheduling your appointment or receiving services to confirm he or she is participating in Cigna's behavioral network.

### **Source of Information and Frequency of Validation**

Behavioral health care professional information addressing specialty, hospital affiliations, medical group affiliations, board certification, acceptance of new patients and languages spoken is obtained from an application that is completed and signed by the health care professional/facility (during credentialing). Physician board certification is validated through the American Board of Medical Specialties (ABMS) and the American Board of Psychiatry and Neurology. Information on the application is updated when the behavioral health care professional/facility notifies Cigna of changes or at least every three years.

### **REPORT INACCURATE INFORMATION**

If you see inaccurate information for a health care provider, please help us improve your experience by reporting it using one of the following options:

#### **Report by Phone:**

Call 800.274.7603

**Send an email to** BehavioralPDM@Cigna.com and include the following information:

1. Facility or health care professional's information as it is displayed in the directory (name, address, and specialty)
2. The information you would like to corrected, such as name, address, phone number, etc.

Thank you! Cigna will verify the information you have provided and ensure it is corrected accordingly.

If you believe you relied upon materially inaccurate, incomplete, or misleading Directory information, you may file a complaint by calling the number or writing to the address on the back of your Cigna ID card.

### **LANGUAGE ASSISTANCE and ACCESS**

Directory listings include languages other than English (if any), spoken by the health care professional (HCP) or by an office staff member who the HCP has identified as a qualified medical interpreter. However if you have difficulty understanding English, we offer language assistance and interpretation services at no cost to you. For help please call the Customer Service number on the back of your ID card. If you do not have or are unable to locate your ID card, please call 1.800.274.7603.

If you have a hearing or speech loss and use Telecommunications Relay Services (TRS) or a Text Telephone (TTY

), dial 711 to connect with a TRS operator.

Si le cuesta comunicarse en inglés, ofrecemos asistencia de idioma y servicios de interpretación sin costo alguno para usted. Para obtener ayuda, comuníquese con el número de Servicio al cliente que figura en la parte de atrás de su tarjeta de identificación. Si usted no tiene o no puede encontrar su tarjeta de identificación, llame al 1.800.274.7603. Si tiene algún impedimento auditivo o del habla y desea usar el servicio de retransmisión de telecomunicaciones (TRS, por sus siglas en inglés) o un teléfono de texto (TTY, por sus siglas en inglés), marque 711 para comunicarse con un operador del TRS.

We expect our contracted providers to meet all applicable federal requirements for accessibility as specified in the Americans' with Disabilities Act (ADA) and its regulations. In general, the ADA requires that health care providers offer individuals with disabilities full and equal access to their health care services and facilities, however there can be some exceptions. In order to ensure a provider's location meets your own access needs please contact that provider directly before scheduling an appointment to obtain care.

#### **WHAT DOES A DOCTOR NEED TO DO TO BE IN CIGNA'S NETWORK?**

Before joining the Cigna network of contracted doctors, health care professionals must meet Cigna standards through a process called credentialing. We regularly review doctors' credentials to ensure they continue to meet these standards.

#### **NAME OF NETWORK**

For current customers, always refer to your ID card for help to determine the name of your Cigna network and benefit plan or to identify the health care providers that are in-network for your plan. If you are a potential customer, please refer to the benefit plan and network names included in your enrollment materials.
