

Meg Gardner

Meg grew up in Mobile, Alabama with her mom, dad, and younger sister. She earned a Bachelor of Science in 2013 from the University of the South in Sewanee, Tennessee where she majored in Biochemistry with a minor in French Studies. She attended medical school at the University of Alabama School of Medicine in Birmingham. She has research interests in pediatric and adolescent gynecology as well as medical education. In her free time, she enjoys hiking, traveling, cooking, and going on walks with her dachshund Millie.
