Paper copies of the network provider directory are available at no cost to members by calling the customer service number on the back of your ID card. Non-members may download and print search results from the online directory.

Directory was last updated online on 08/28/2018

Please check with your provider before scheduling your appointment or receiving services to confirm that the provider is participating in our network.

Provider information contained in this directory is updated weekly at a minimum, but may have changed since the last update.

Reporting Inaccuracies: Members may report possible inaccurate, incomplete or misleading information listed in the provider directory by using the "Report Invalid Info" button found on the Provider's detail page, calling 1-800-557-5745, or emailing provider_feedback@optum.com.

Illinois Only: For IL provider demographic inaccuracies, you may also contact the IL Office of Consumer Health Insurance at 1-877-527-9431

Criteria Description: Our provider network is built to provide an array of licensed qualified professionals and programs/facilities in mental health and substance use disorders. This network represents an array of clinical specialties and expertise to allow timely access and availability for our membership taking into account geographic access in terms of distance and travel time as well as member population density. In addition, we continually work to ensure the diversity of our network to enable us to meet the clinical, cultural, linguistic and geographic needs of our members.

Source Statement: The source of the information required to be included in this provider directory is our participating providers.

Disclosure Statement: The information provided or included in this directory is accurate as of the date posted to the web or as of the date of updating/printing. Covered persons or prospective covered persons should consult this electronic provider directory on this website or call the specified customer service telephone number on the covered person's insurance card to obtain more or current provider directory information.

Tiering: While every provider and group listed here has passed rigorous evaluation, Platinum providers have consistently demonstrated care and performance that exceeds both effectiveness and efficiency benchmarks as measured by an internal evaluation program

Disability/Language Assistance: This site offers web-based solutions that are accessible and usable to everyone, including those with disabilities. We have made every effort to ensure that all features on the site are accessible as possible, however because of technological constraints, some features cannot be fully accessible through assistive technologies, such as screen readers. If you find that you are having accessibility issues with any of our content, we'd like to know about it. We also offer language assistance services. These services are free and available to help you communicate with us and with your health plan. We are able to provide letters in other languages or you can ask for an interpreter. Details on how to obtain these services is available (<https://www.optum.com/nondiscrimination.html>).

Complex Case Management Program:The Complex Case Management Program is for members who could be helped through more intensive coordination of services. This program is intended to help members with complex behavioral health conditions connect with needed services and resources. For additional information about the Complex Case Management Program, please call the number on the back of your insurance card, Please Click here: [Complex Case Management Program](#)

Authorization for Services: Many benefit plans require you to call to obtain authorization, certification, or referral before you obtain services. Use the number on the back of your insurance card to confirm benefits and authorization requirements. There are some services that are not guaranteed until the requirements for utilization review have been completed and documentation of authorization has been issued. Use the number on the back of your card to obtain information on how to seek authorization, if you (and/or your representative) believe the necessary care is not available from contracted providers; initiate a grievance if coverage has been denied, reduced, modified, or terminated; and obtain information concerning the potential consequences if authorization is not obtained.

Joining Our Network : Providers of mental health or substance use services not currently under contract with the managed care organization that are willing to meet the terms and conditions for participation may apply for contracted status and may become contracted after successful completion of credentialing. Please refer provider to providerexpress.com for further details.
