Practical Topics for Physicians, Nurse Practitioners, Physician Assistants and Pharmacists

24th Annual

Family Medicine Update

June 10-13, 2009 • The Chattanoogan • Chattanooga, Tennessee

Presented by the University of Tennessee College of Medicine Chattanooga
Department of Family Medicine

Chattanooga, A Great City by Nature

From the Summit of Lookout Mountain to the Tennessee Riverfront, Chattanooga’s unique natural phenomena bind together to form a spectacular marvel in which nature itself becomes the attraction.

Message from Program Director, John Standridge, MD

Riverbend Festival

The Friends of the Festival Event Management Group present the 2009 Riverbend Festival, June 5-13, 2009. Riverbend continues its run as one of the country’s top music events, with an amazing variety of musical styles and artists.

For more information on the 2009 Riverbend Festival go to: www.riverbendfestival.com

Complimentary Riverbend admission pins will be available for use by Family Medicine registrants on a daily checkout basis.

Friends —

Join us in Chattanooga for some networking, hospitality, and some great medical education. This program is built around topics that you have asked for. See you in June! —John

| Accreditation |
| The University of Tennessee College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. |

| Educational Credits |
| AMA: The University of Tennessee College of Medicine designates this educational activity for a maximum of 22.5 AMA PRA category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. |

| CEU: Certificates of attendance and CEUs will be provided for non-physicians attending this educational activity. The University of Tennessee designates this activity for up to 2.25 CEUs using the national standard that 1 live hour of educational instruction is awarded .1 CEU. |

| Educational Outcomes |
| The broad purpose of this CME activity is to address areas of interest and value to physicians to enhance knowledge, competence, and performance. Content and instruction is focused on providing new abilities and strategies in primary care; assisting in modifying practice; and ultimately improving patient outcomes. Specifically, participants should be better prepared to improve practice performance relating to core competencies in patient care, medical knowledge, practice based learning and improvement, interpersonal and communication skills, professionalism, and system-based practice. |
